

Investigation process for individual licenses

Step 1: licence application filed by exporter

Step 2: receipt by the Dual-Use Goods Department (SBDU)

- Admissibility of application carried out by the administrative office
- Application assessed by the technical office

Step 3: investigation

- If there are no particular issues with the application:
 - Autonomous investigation by the SBDU
 - Decision by the Ministry for the Economy (SBDU delegation)
 - Decision notified by the SBDU
- If there are issues with the application:
 - Assessment by the Interministerial Commission (CIBDU) which meets monthly
 - Opinion proposed by the CIBDU
